Biologist, MediHealth Academy Publishing, Ankara, Türkiye

Dear Colleagues,

As of February 2025, we have completed the second year of our journal's publication life. We have published the ninth issue of Journal of Pulmonology and Intensive Care (JoPIC) under the shield of MediHealth Academy. In addition to all researchers, referees and editorial board who contributed to the preparation of the journal; we would like to thank the printing team for their effort in preparing it for publication. This ninth issue includes two original research, two case reports and a review. Periodicals are popular with their readers and researchers. In the upcoming period, with your support, our goal is for JoPIC to be indexed in nationally and internationally accepted scientific indexes. I would like to thank you in advance for your contribution.
